

The ground floor plan shows a large, irregularly shaped building with a central entrance and multiple wings. The building is surrounded by a large, landscaped area with a swimming pool and a paved driveway. The plan includes detailed room layouts, furniture placement, and landscaping elements like trees and shrubs. The building is situated on a plot with a large green lawn and a paved area for parking and driving. The swimming pool is located in the upper left corner of the plot, and the driveway leads from the bottom right towards the building. The plan also shows a small garden area with a paved path and a small structure near the pool.
